THE PERFECT DISTANCE

GOLF

Perfect for golf amateurs, intermediates or professionals, our award-winning golf courses totaling 63 holes will bring you back again and again.

THE GENERAL

Eagle Ridge's crowning achievement, The General opened to rave reviews in 1997 and consistently ranks among *Golf Digest's* top 100 courses. With a 289-foot elevation change from the first hole to the 18th, it boasts spectacular views of the tri-state area. The signature hole is #5, a par 4 with 180 feet of elevation change from tee to green. And if you haven't played The General in a while, you'll be pleased to hear it has been recently renovated back to its original architecture, which means a more enjoyable time for you on the course.

THE NORTH COURSE

Opened in 1977, the North Course is characterized by elevated tee boxes and stunning views of Lake Galena and the surrounding countryside. The signature hole is #8, which is a 165-yard par 3 with 80 feet of elevation change from tee to green. The tee shot on #8 crosses the corner of Lake Galena, opening up to a spectacular view of the lake and its majestic rock outcroppings. And if you haven't played the North Course in a while, you'll be pleased to hear it has been recently renovated back to its original architecture, which means a more enjoyable time for you on the course.

THE EAST COURSE

This 9-hole, par 34 layout is ideal for beginners, juniors, and for those looking to play 9 holes through undulating greens and beautiful rock outcroppings. The signature hole is #3, a short, tight par 4 with a stream running up the left and a 30-foot rock wall along the right.

The hole plays 290 yards through a quiet, secluded valley. And if you haven't played the East Course in a while, you'll be pleased to hear it has been recently renovated back to its original architecture, which means a more enjoyable time for you on the course.

Also on the East Course, Eagle Ridge is pleased to provide FootGolf and modified Family Course tees! FootGolf is a combination of soccer and golf. It's played with a regulation #5 soccer ball on shortened golf holes. In partnership with the PGA, the U.S. Kids Golf Family Course setup helps young golfers and beginners play from appropriate yardages. The benefits include faster play while not feeling rushed, lower scores and more.

THE SOUTH COURSE

Opened in 1984 and voted one of the top 75 upscale courses in the country, the South Course winds through a beautiful, wooded valley where streams come into play on 11 of 18 holes. The signature hole is #18, a 406-yard par 4 with the tee set 90 feet above a landing area which is guarded by lakes on both sides and a stream that crosses the fairway 265 yards from the tee. The second shot plays uphill to a well-bunkered elevated green. Although shorter in yardage than our other courses, the South is Eagle Ridge Resort & Spa's most difficult and the best test of your accuracy and shot-making skills. But if you haven't played the South Course in a while, you'll be pleased to hear it has been recently renovated back to its original architecture, which means a more enjoyable time for you on the course.

PLEASE NOTE: The North Course is open all year, weather permitting. All other courses are open seasonally from April through November. Please call ahead for exact times and dates at 800-892-2269.

Recreation

Discover all four seasons at Eagle Ridge Resort & Spa through an endless variety of activities. Our activity board is filled with events for the young and the young at heart. Guests can set off on their own or join us for a day of fun each day of the week.

BALLOON RIDES

Galena on The Fly lifts up-up and away over the rolling hills of The Galena Territory. Depart at sunrise or sunset from Eagle Ridge with an experienced pilot who will take guests on a panoramic tri-state tour from an eagle's point of view.

Available seasonally. Weather permitting. Reservation required. For more information call Galena On The Fly at 815-777-2747.

HIKING AND BIKING

Surrounded by over 21 miles of wilderness and paved hiking and biking trails, Eagle Ridge Resort & Spa has something for everyone seeking a day outdoors. Birders and hikers can spot 200-plus species of birds while bikers can take advantage of many bike trails with their own wheels.

YEAR-ROUND GUESTS

With a retractable roof for the warmer months, our resort pool is open 365 days a year for all-day water fun.

BOATING AND FISHING

Boating is an ideal activity at Eagle Ridge. Take a leisurely cruise on one of the resort's pontoon boats, paddle boats, kayaks or canoes, and be sure to bring along a fishing pole! Weather permitting

FITNESS CENTER AND GAME ROOM

Located on the lower level of the resort and open from 6am-10pm daily.

THE NORDIC CENTER – WEATHER PERMITTING OPENS IN DECEMBER

Whether it's ice skating on our rink, exploring our wide open spaces while snowshoeing, or sledding down our signature 10th tee box at the The General golf course, our Nordic Center will have the perfect winter activity for you. The resort rents ice skates, sleds and snowshoes. In addition, Eagle Ridge provides complimentary shuttle service to and from Chestnut Mountain Resort, one of Illinois' top downhill ski and snowboarding areas.

TRACKMAN GOLF SIMULATOR

TrackMan's simulator golf solutions deliver an experience that redefines what is possible to achieve in a simulator environment.

Our TrackMan Golf Simulator offers teams and individuals the ability to practice no matter the weather. We can also bring our TrackMan flight scope to the range for individual training and lessons.

TrackMan is located at Highlands Restaurant. Please check our website for exact opening date at www.eagleridge.com.

Group Recreation & Team Building

Eagle Ridge Resort & Spa offers a wide variety of group recreation and team building events, whether your group is here for business or pleasure. These events are designed to promote leadership, communication, cooperation, and creative thinking; but above all else, these events are designed to be fun.

You can choose from one of our pre-designed events, or our recreation staff will work with you to customize a new event to meet your group's specific needs. Below are a few of our most popular events.

ICE BREAKERS/ENERGIZERS

Are you looking for a brief activity to get your group acquainted, energized, or refocused? Give us 30 minutes and we'll have your group on the right track.

PUZZLED

Your group will be challenged with assembling, solving or creating a simple child's puzzle in the allotted time. Does this sound too easy? We think so! That's why we add a twist. Revealing the twist just now would ruin the fun, but coordinators may contact us to learn more. We have a variety of puzzle ideas for this event, so you can choose which one fits your group's needs.

ISLAND HOPPING

See how fast your group can make it from one point to another point without touching the ground. In this challenge, participants are given materials and the simple instruction to make it to a series of "islands" without touching the ground. The group is given one minute to communicate before beginning to build and walk.

FOOTGOLF

Combines soccer and golf skills. Instead of using clubs and a golf ball, players kick a soccer ball towards the hole in the fewest "strokes" possible. The game is played with a regulation #5 soccer ball using a shortened course and 21-inch holes. FootGolf is a fully evolved sport, complete with its own worldwide governing body (the Federation for International FootGolf, or FIFG), rulebook, and even uniforms of argyle socks and soccer shorts (required only for World Cup play, but it's encouraged here at Eagle Ridge).

BLINDFOLD CHEF With Pizza, Breakfast or Dessert

Want to be the Head Chef on your team? Our signature cooking challenge focuses on communication, creativity, and teamwork. Teams are given brief instructions and all the ingredients necessary to build their creation. Who will be the lucky one to taste test? Give your team a break after a long day of meetings, get them up and moving in the AM, or reward them with an afternoon dessert.

FISHING TOURNAMENT Weather permitting

Enjoy fishing on beautiful Lake Galena in one of Eagle Ridge's pontoon boats. We will supply up to five fishing poles per boat, one dozen night crawlers, basic tackle, measure tape, and a map of the lake showing our great fishing locations. Please see lake rules for creel limits and regulations. Beverages or lunch can be provided for an additional cost.

ZIPLINES

Enjoy a two-hour adventure through the wilderness. Ascend 15 feet to the first platform, reach heights of 75 feet, glide through trees on six zip lines up to 1,230 feet long, cross a 140-foot sky bridge, and rest your feet firmly on the ground after a 40-foot rappel.

For more information on our on our group recreation and team building activities please visit our website at www.eagleridge.com.
